Please note...we reserve the right to change details in our Food Calendar. If needed please call us to double check dates.

Courtyard Catering is run by Freda who is passionate about serving up very tasty dishes. Last summer she tempted us with her delicious curries and fabulous wraps, next summer she will be offering different themes, Thai weekend, Paella night...whatever, her food is irresistible! **The Cheese Shop**, Holmfirth may be working alongside to supply cheese fans with a beautiful cheeseboard in the evenings (you just need to supply the bottle of red!)

TS Catering will be the first catering team you will have come across that can cater for everyone! Yvonne and Rob rustle up vegetarian, vegan and gluten free food (they even have their own supply of gluten free pasta! Coeliacs...don't despair, Yvonne and Rob will be there!

Hog Roast Andy from The Yorkshire Pig saved everyone's bacon (!) that rainy August last summer when lighting a BBQ was a bit tricky. We sampled and it was good (stuffing and apple sauce included.) Limited number of rolls available so get in there quickly to avoid serious disappointment.

Pizzas will be fired up for the very first time on the park next summer. John promises tasty things from his wood fired oven (we will leave the details of his fantastic oven as a surprise for when you see it!) We're looking forward to welcoming John for the first time in June.
