Winter 2026

## LATEST NEWS & DEVELOPMENTS...

We're only half way through the winter, but we already have plenty to share...

- Our biggest news is being crowned [Out & About Campsite of the Year for 2026](#) back in December! This was down to the public vote and so we would like to thank all those who supported us in receiving this prestigious accolade - it means a great deal to us. We have also been invited to be part of the [Premier Parks](#) group - the top 100 parks in the UK!
- This winter we are continuing with the [Seasonal Pitches upgrade](#). Work will soon begin on the area next to the Riverside pitches. We will keep everyone with caravans or motorhomes in this area informed throughout the process.

- As the park opened at Easter 1986, we are celebrating our [40<sup>th</sup> Birthday](#) this year! There will be some special events and goodies and we will be sure to keep you informed of what's going on. If you have any old photos, please share - we'd love to see!
- Geoff and Stuart have been working hard to complete more [fishing pegs](#) (see photo). if you haven't visited recently, you'll notice a big difference around the pond - we love them! We will be [re-stocking the pond](#) soon. Don't forget to buy your Seasonal Fishing Ticket (prices overleaf).

## PREMIER PARK 2026

*The finest UK campsites, independently assessed*

Instead of printing Seasonal Agreements we are hoping to email them in PDF format which you can fill in and sign. Using less paper and no more collecting and dropping off!

### CHANGES TO PITCHES

Please remember, if you would like to make any changes to your pitch, you must consult with the park owners first. This includes any visible additions such as lights, and storage.

### RECYCLING

Please use the recycling bins for paper, card, cans and glass - these should not be placed in the general waste bins. Anything too large for the bins should be taken to the tip.

### DOG WALKING

Please can we remind any dog owners that dog walking should not take place in the camping fields or near pitches. Please make the most of the woods and public footpaths.

## SEASONAL FISHING TICKET

6-month ticket

### Seasonal Loyalty Card

Don't forget to check the benefits (both on and off the park) of your loyalty card on our website or scanning the QR code above.

### ANPR Barrier Installation

After a lot of consideration, we have decided to have an ANPR barrier installed close to the reception building. Work will be carried out during the second week in March and we have opted for a number plate recognition system which should keep things simple when entering the park. We will be contacting everyone to ensure we have up-to-date number plates.

Please [talk to us](#) if you are unsure of anything or there is something you feel we can improve on. Guests reviews and feedback form the basis for improvements.

The appearance of seasonal guests' caravans makes a huge difference to the park. We'd appreciate it if you could **keep the exterior of your caravan and awning clear of leaves and as clean as possible**. Any **gazebos should be dismantled** for the winter period. If you need help with caravan cleaning, Paddy, who stays on the park, has cleaned many caravans and does an excellent job. His rate is £25 per caravan. Please ask in the shop for his contact details.

### Please Remember...

Snow can damage awnings - in case we are due some over the winter period, it would be worth strengthening these as best you can. We will do our best to keep an eye on them and get in touch if we need to.

### Did you know...

You can easily buy and print or email a range of gift vouchers from our website!

We continue to hold a David Bellamy Award in respect of the strong green ethos we have on the park. Thank you for your support in helping us achieve this.
